

- Hall 75, Sector A
- Hall 75, Sector B
- Hall 75, Sector C
- Open-air Ground

Hall 75, Sector A

- Tractors
- Machinery and equipment for tillage, drilling and sowing
- Machinery for fertilizing and plant protection
- Machinery for grain harvesting
- Forage harvest
- Machinery and equipment for potatoes, vegetables and sugar beets
- Machinery for irrigation and drainage

Hall 75, Sector B

- Harvest processing, storage and conditioning
- Transport vehicles, transport techniques, loader wagons
- Engines, components, spare parts, lubrication agents and fuel
- Seeds, fertilizers, plant protection agents
- Country participation

Hall 75, Sector C

- Management and information
- Financing, insurance

Open-air Ground

- Cultivating machinery for basic crops
- Machinery for harvesting, harvest processing and storage
- Forage harvest
- Transport
